***Reasons for Allowance***

1. Claims 1-10 and 12-19 are allowed. The claims will be renumbered as 1-18.
2. The following is an examiner's statement of reasons for allowance: as applicants properly point out, on pages 6-7 of the remarks, that the references to Mancuso and Li do not discloses or suggest the similar input data being temporally and spatially close to the given input data and including the given input data. Instead, Mancuso and Li show the data being only spatially close to the given input image data. Hence, and in view of applicants' amendment, argument, and in combination with all of the other elements of the claims that claims 1-10 and 12-19 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
